

CRUSHING CAPABILITY STATEMENT

ELITE MINING, CIVIL & CRUSHING SOLUTIONS

Elite is a complete crushing and screening services provider, ranging from industry-leading maintenance support to contract mobile crushing projects.

We bring tried and tested crushing and screening solutions, tailored to the specific requirements of your operation backed by our decades of firsthand experience. Minimising downtime and maximising production is at the heart of everything we do, priding ourselves on getting the job done on time, under budget and to spec.

There's no aspect of crushing we don't cover. Maintenance, operations and management, fixed plant, mobile crushers and modular— we've seen it all.

Our 50-100 team of industry-leading staff share the common core values of safety, commitment, responsibility and transparency.

With decades of experience in leading and optimising crushing projects, Elite are the industry leaders in crushing and screening, your project is in the best possible hands with Elite.

LET'S DISCUSS YOUR NEEDS.

TRUSTED BY ORIGINAL MANUFACTURERS

Our longstanding relationships with WA's leading Original Equipment Manufacturers (OEMs) are a testament to the skill our personnel possess.

We've built our reputation by delivering what matters most to OEMs —precision, reliability, and a deep understanding of their equipment in real-world conditions.

“ When equipment needs to perform at its best, the right expertise makes all the difference.”

OUR SERVICES

MAINTENANCE

Renowned maintenance services of the highest quality. Our versatile staff will keep your fixed or mobile plant firing on all cylinders. That means less downtime and optimised productivity.

ASSET HIRE

Tailored mobile fleet and mobile crushing equipment to suit your needs. We work with clients to provide the right equipment at affordable rates. From primary crushers to screening gear, we can point you in the right direction with our fleet and support the project.

PROJECTS

We work with clients to convert existing stockpiles or fresh ore into mill feed, roadbase, aggregates, stemming, or whatever your operation requires. We choose tailored equipment to achieve various outcomes for your material, all to spec and at competitive pricing.

GEARED UP FOR *ANY PROJECT*

Our 50-100 strong team brings together a highly skilled workforce, ensuring every project is executed with precision and efficiency.

- ✓ Crushing & screening supervisors
- ✓ Fixed & mobile plant operators
- ✓ Process plant coordinators
- ✓ Crusher fitters and boilermakers
- ✓ Diesel mechanics & auto electricians
